Beautiful Barry

Barry came to the APA as a 7-month-old stray kitten. In his young life, he faced hardships we can only imagine, including being badly burned over much of his body. Thanks to our Hope Fund for cats, we treated Barry's burns and gave him lots of TLC to help him with his recovery.

"He makes my day happy."

- Barry's human sister Vi

2,004 animals were given a second chance through our pet transfer program.

Safe Care

23 pets received over 400 days of care through the APA's domestic violence assistance program.

The APA Adoption Center is an open admission organization dedicated to finding a safe, loving home for every adoptable animal.

Every day, our staff is 100 percent dedicated to the quality of life for each and every animal while it's in our care. Without exception, we live to the letter of our mission statement: Founded in 1922, the APA Adoption Center of Missouri is a non-profit organization dedicated to bringing people and pets together, advancing humane education, and creating programs beneficial to the human/animal bond.
